From the Principal's Desk

I do feel honoured to write a few lines from the chair of the Principal, BHB College. As a result of the relentless effort of some visionary education lovers of the three Mouzas of Bhawanipur, Hastinapur and Bijni, BHB College, the only institution of higher education in this locality was established on the 1st of July, 1971. Established in a rural area, the college started its journey under the leadership of late Rajani Kanta Choudhury, founder Principal of the college and has been imparting higher education to the common folk of the villagers since its inception. The college has completed its glorious 50 years and the Golden Jubilee of the College was celebrated with a yearlong colourful programme and finally ended with three-day gorgeous function from 22nd April to 24th April 2022. The College was accredited with B++ Grade with CGPA 2.78 by the NAAC Peer Team in 2016 and is preparing for III cycle of NAAC Assessment and Accreditation enthusiastically. We are moulding ourselves mentally and practically to cope with the NEP, 2020. Our ultimate mission to make BHB College a pioneer institution of higher education shall be possible only with the help of teachers, students, guardians, difference stakeholders and the government. Let us hope for the best.

Dr. Nayan Jyoti Das
Principal
B. H. B. College, Sarupeta

Introduction

Established on the 1st of July 1971, Bhawanipur Hastinapur Bijni (B.H.B.) College, an institution of higher learning at Sarupeta, has been imparting higher education to learners belonging to the economically backward region that comprises three revenue mouzas, which are mentioned in the very name of the College. Located in Bajali District, B. H. B. College is the oldest institution of this kind in 41-Bhawanipur Legislative Assembly Constituency, a segment of 5-Kokrajhar Parliamentary Constituency of Assam, which is a reserved seat for scheduled tribes.

The indomitable will and spirit of some visionaries of this locality, and their realization of the importance of higher education combined with their sheer persistence paid dividends, as their dream was translated into reality with the establishment of the college. The prime objective behind establishment of this college was to have an institution at close quarters that could help the people here have ready access to higher learning. The economically backward people of this locality had earlier found it quite difficult to afford for their wards higher education at far off places, and the college emerged as a beacon to illuminate their path towards social and economic progress. The vision of the college includes providing education to students belonging to SC/ ST/OBC and to minority communities. The thrust is also on providing education to girl students, who, both qualitatively and quantitatively, are moving forward fast.

Affiliated to Gauhati University, B. H. B. College, Sarupeta has also been included under 2(f) and 12 (B) of the U.G.C. Act, 1956. The college, with its band of dedicated teachers, excels in imparting quality education to students and at the same time, in instilling in them the moral and ethical values necessary for living in consonance with others. The college is a medley of students belonging to different ethnic groups cohabiting in perfect harmony. The college leaves no stone unturned to provide them with the wherewithal both academically and ethically so as to enable them to face the challenges of life the changing world scenario has thrown in, and also to turn them into ideal citizens full of character and nationalistic feelings. Students of this college are given opportunities of all sorts to open themselves up, to showcase their innate talent and also to realize their tremendous potential.

student will earn through satisfactory fulfilment of the academic requirement of the course as per the Affiliating University. .

- 3) An undergraduate degree programme with Honours in a discipline will have a course credit requirement of 148 credits while an undergraduate degree program without Honours will require a student to earn 132 course credits. Students in an Honours programme can opt to earn additional credits by undertaking additional Elective courses subject to the condition that the total number of course credits does not exceed 160 credits. For a student in a Regular programme, this credit ceiling will be 140 credits. The credits earned beyond the mandatory programme requirement will not be taken into consideration in computation of the student's grade but will be recorded in the grade sheet.
- 4) The medium of instruction and examination will be held in English and/or Assamese, except in language courses.

Nature and Nomenclature of Courses
