It is also a very rich treasure house of rare manuscripts.

On the day of 16th May, 2022 a team of BHB College, Sarupeta visited the Bishnupur Satra which was situated at Bongaigaon District of Assam. It was a field visit initiated by the Central Library of the College. This Satra was established by Mahapurush Srimanta Sankardev with his grandson Chaturbhuj Thakur. More than fifty manuscripts and various ancient and antique pieces of work such as wooden gudu ashana, singhashan, wooden sculpture were found in that satra. Most of the wooden sculptures were designed by Chaturbhuj Thakur. A team of 11 members including professors, librarian and students have visited the satra. They visited various sections of the Satra and guided by the Satra caretaker (Pathak) Mr. Ranjit Rai. He introduced different sections of the ashram like manikut, guru ashana, prayer hall etc. The satra has a very rich museum of rare manuscripts. In the year 2010, the KKH Library had taken the preventive measure for the manuscripts. But from that long 12 years those manuscripts were kept in the shelves without any curative measure. The BHB college team assured the satra management authority about the digitization and further preservation of the rare manuscripts. The team also had a conversation with the President of Satra Management authority Mr. Nripendra Sutradhar, secretary Mr. Pranjit Rai and Satra caretaker Mr. Pranjit Rai about various problems and issues faced by the institution.
